

Special Rates for North Shore Bank Repo Units on Dealer Lot

We have put together a special financing package to help sell the Bank owned repos you currently have at your dealership.

Indirect financing for Bank owned boat and RV sales only

1. Rate of 4.25% includes a 1 % reserve for dealer. **This is the maximum rate charged for up to 60 months (Balloon note acceptable).** (Minimum payment of \$100 required).
2. North Shore Bank units must be identified at time of application for “special consideration”.
3. 10% Down Payment strongly encouraged.
4. Volume and show rates do NOT apply to these units.

All deals will be aggressively underwritten regarding terms and LTV to appropriate borrowers.

Please help our underwriters by making sure they are made aware this is a Bank repo at application.
