

Pay Your Loan

Making your loan payment is easy with North Shore Bank's Pay Your Loan online payment system.

- Pay as a guest or set up a Username and Password for streamlined future accessibility.
- Set up one-time or recurring monthly payments.
- No processing or service fees charged for paying online.
- Pay Your Loan functionality is highlighted in the new-customer welcome communications from North Shore Bank.

What You Need to Get Started

- › Your loan account number
- › Last four digits of your Social Security Number
- › Checking account & bank routing number
- › Email or mobile number

STEP 1

Visit our [loan payment portal](#) or go to [northshorebank.com](#) and find the LOGIN tab at the upper left portion of your screen. Select the OTHER tab, then select Pay Your Loan.

STEP 2

To make your first payment, select Pay as a Guest. You will be asked for your loan number and the last four digits of your Social Security Number.

STEP 3

You will then see your loan payment details. Using the drop down menu, you can choose to pay the amount due or enter a different amount.

To set up your payment account, select if you are paying from a business or personal account. Then enter your bank's routing number and your account number. Confirm if you would like your receipt emailed or texted to you.

Payments made after 5:30pm Central Standard Time will be processed the next business day. Payments returned unpaid for any reason may be assessed a service fee.

Contact 877-672-2265 for additional assistance.
